Visit of [REDACTED] to I/SH on 20 and 25
November 1959

1. During a visit to the Shipbuilding Branch, the following was
discussed: 25X1X7

a. On 20 November a current [REDACTED] item on Chinese Communist
Shipbuilding in the Canton Area. Shipbuilding in Canton was discussed
briefly.

b. On 25 November we were requested to comment on a current
Ship Sheet item concerning the import of welding rod. We indicated
that import of high quality welding rod may be the forerunner of a
new naval shipbuilding program.
